

God Is In The Waiting

C **Am**
God is in the waiting
 G **F**
In the seeds ready to sow
 G **Am**
In the trees steady to grow
C **Fmaj7**
God is in the waiting

God is in the listening
In the stream bubbling slow
In the wind whispering low
God is in the listening

God is in the moving
In the birds learning to fly
In the waves crashing on high
God is in the moving

God is in the being
And the breathing in the waiting
In the listening in the moving
God is in the being

God is in the waiting
In the seeds ready to sow
In the trees steady to grow
God is in the waiting
